

FUND RAISING

The support group actively seeks fund raising opportunities. Our efforts are as diverse as the membership.

To date our largest event is Kammy's Kause. Started in 2003 it is an annual two-day summer music festival held on the outskirts of Indianapolis. Bands donate their time and vendors donate a portion of their proceeds.

- ◆ Other activities include:
- ◆ American Express Charity Giving
- ◆ Network for Good
- ◆ SmartRecycle.com
- ◆ GoodSearch.com
- ◆ United Way

Money raised helps subsidize family and medical professionals attendance at national gatherings. Thus ensuring everyone has the opportunity to attend and benefit from quality programming.

Donations are always welcome. The support group accepts donations in the form of products, services and monetary contributions.
